

Subject: PL2305H Version Phase out Notice

Date: April 1, 2011

Dear Customers,

Prolific Full Speed USB to Printer bridge controller PL2305H will be phased out at the end of June, 2011. It would be replaced by PL2305I which is pin to pin compatible to PL2305H.

Please kindly inform your last order by the end of May, 2011. We will also start to supply PL2305I from the beginning of July, 2011.
